

Wyoming State Mid-Range Championship on July 21st and 22nd 2018

The weather conditions for the most part was nice to moderate and the wind was somewhat consistent. There were a few drops of rain and some unexpected wind changes along with occasional mirage changes. The competitors turned in some very good scores. Most noteworthy was Kenneth Langford's score of 1000-62x. This is definitely a State Record. Way shoot Kenny!!! We had some junior shooters learn just how hard it can be to shoot a 600 yard target. This match was conducted with the silver mountain electronic target systems. No one had pitt duty. We look forward to next year's match. Maybe there will be more records made. The scores are posted below. Till next time take care and good shooting for all.
