

WYOMING RIFLE SILHOUETTE CHAMPIONSHIP REPORT

Lander Valley Sportsmen hosted shooters from 3 states at the July 7 & 8, 2018 event. Saturday's smallbore got underway at 8AM followed by high power at noon. Sunday the program was also a 2 x 40 shot with each rifle but with hunting rifles. Twenty-four smallbore and 16 high power competitors filled the range to capacity. The early start time saw temps at 60 but soon headed toward 100. The wind flags displayed little air movement but mirage was strong. The heat waves from the high power barrels just added to the challenge.

David Bonner, Aurora, CO earned the Wyoming Champion title in each of the rifle divisions but as the scores will show, he had others on his heels. Bonner also won the WY portion of the Dakota Territory trophy with a 4 gun total of 240/320.

To Ron Reemts, Scott Hemingway, Dan Greenmeyr & Larron Dolence for the ATVs for the HP target setters.

To/ for door prizes: Tony Cross-rifle cleaning cradles, bull bag, 1/10 scale silhouettes. Ron Kamp- lathe turned bowls. Guns & Goods- merchandise. LVSA- .22 ammo. Charles Piette- .22 ammo. Tom Soucek-wildlife prints. To Kelly Landis for the Dakota Territory Trophy. To the shooters for their generous donations for the target setters and assistance running the line safe and smooth. No jury decisions needed only 1 alibi shot needed—that must be some kind of record. Appears no new WY or National records were set...we'll get'em next year!
