

WYOMING SILHOUETTE RIFLE CHAMPIONSHIPS

LANDER VALLEY SPORTSMEN JUNE 27-28, 2020

Very pleasant weather gave shooters an enjoyable event until mid-Sunday's gusts and sprinkle came thru. The buck pronghorn was entertained by watching Cross topple SB pigs, then wandered out past the rams when the target setters headed out. Morning temps were mid-50's but soon warmed to the 80's. Minor excitement was generated with a rattle snake in the stat office. A little persuasion was needed to control that and it was moved outdoors again.

Scott Larson, Pierre, SD was the 4 gun winner scoring 223/320. Only 3 points behind was Chris Farwell, Littleton, CO. Larson uses an Anschutz 54.18 w/ 30X Leupold, Rem 700 in 250 Savage w/ 8.5-25X Leupold, Anschutz 1710 W/ 8.5-25X Leupold and Rem 700 in 6BR w/ 6.5-20 Leupold.

The 2 day event features a 2 x 40 format with each rifle division shooting standard rifles on Saturday and then hunting rifles on Sunday. Due to the CORID 19 virus attendance was a little lower than past years but the sportsmanship and willingness to help when asked made the event run very smooth. Twelve shot SB and 10 HP each day.
