

## WYOMING SB/HP RIFLE SILHOUETTE CHAMPIONSHIP

The Lander Valley Sportsmen hosted the 2022 matches on July 23-24. Twenty-six shooters representing CO, ID, ND, SD & WY enjoyed the overcast and cooler than predicted temps while firing a 2 x 40 shot program with smallbore (SB) rifles. Sixteen also battled the high power (HP) 2 x 40 course with very good conditions until a Sunday PM wind shear BLEW IN, toppling all the target. Some fell backwards, others forward during the rapidly switching twister. A short time-out was taken, but too late to save the cabana sun shade. Shooters showed and tasted 'true grit' to continue on the sight-in swingers. Target resetting became a repainting of the swingers between relays.

**Georgette Bradley**, Berthold, ND was the only five trophy winner by winning all four Hi-Lady awards and HP class B 1st.

Standard SB Champion is **Scott Larson**, Pierre, SD @ 69; his 3rd in WY. First master is David Bonner, CO @ 62. Chris Farwell, CO earned 2nd M @ 58 with 3rd M going to Ryan Habeck SD @ 54. Bruce Berg, WY topped the A's @ 31 and Jonathan Sivertson's 33 won B and should move him into class A.
