## From the President

### To the Membership:

This is my last correspondence since accepting the responsibilities as President of the Wyoming State Shooting Association and thank you for allowing me to serve.

The elections are in November 2018 and we have several board positions available and if you have an interest in supporting the Shooting Sports please consider running for office or volunteering to help at shooting events.

Thank you again and I look forward to seeing everyone on the range.

*Congratulations and  
way to shoot Kenny*

I believe that in your heart you already know something is profoundly wrong. When bartenders are responsible for drunk drivers' acts, and gun-makers are responsible for criminals' acts, and nobody is responsible for O. J. Simpson's acts, something is wrong.

## Greetings,

On a different note, I ask the board officers to send in their articles for the newsletter over three weeks ago. Only our President John Bair sent something to me. As usual, if I don't have info from folks, I will put in pictures and quotes. I hope you find it interesting.

How do you tell a communist? Well, it's someone who reads Marx and Lenin. And how do you tell an anti-Communist? It's someone who understands Marx and Lenin.
