

## WYOMING SILHOUETTE RIFLE CHAMPIONSHIP

### Hosted by LANDER VALLEY SPORTSMEN

Bright, calm weather greeted the 22 smallbore shooters to start the event with standard rifles on June 28. The program called for a 2 x 40 to be scored in each of the 4 rifle divisions. CO, MT, ND and WY were represented. Evan Baker, Tripp Hubble, Ryan Small and Ryan Tschida served to reset targets; either running to the SB berms or driving ATV's out to HP. They could get the HP targets reset in less than 3 minutes. Surprisingly there were no 10-in-a-rows fired but 14 fives.

**David Bonner**, Aurora, CO, takes the SB Champion award with 61/80. First M 58 is Chris Farwell, Arvada, CO. Steven Hawks, Hot Sulphur Springs, CO, gets 3rd @ 45. On top of AAA is Ronald Kamp, Daniel, WY @43. At 42 is Tony Cross, Lander, for 2nd winning the shoot-off with Kenny Collins, Wheatland, WY, giving him 3rd. Larron Dolence, Lander, WY, topped the AA class @ 53 for 1st and high resident. High lady and 2nd AA is Georgette Bradley, Berthold, ND @ 45. Roger Sebesta, Lander got the A award @34. Tom Duran, Missoula, MT, is best in B @ 22.

**Chris Farwell**, is the HP champion @ 50. Bonner's 49 takes 1st master. Kamp's 35 gets the AAA 1st. The shoot-off had Hawks in 2nd and Scott Dahms, Littleton, CO 3rd @ 28. High resident and top's in AA is Jonathan Bradley, Laramie, by posting @ 43. Cross, @ 35 is 2nd. High lady and 3rd is Georgette Bradley @ 34. Two 5's were posted, on pigs by Georgette and J Bradley. Mid the final 40, clouds arrived and some light winds. The thermometer topped out at 87.

Saturday after guns were put away it was grilled brats and trimmings by Melissa Gray and Tony Cross. Then plenty of door prizes, with each taking something. The turned bowls from Hawks and Kamp are most popular. Other goodies include: an IR monocular; Vortex binocular; reloading and cleaning supplies; hats, T and sweat shirts; Good Shooting, Redding, Starline, and Wilson gift certificates; range, gear and duffle bags, and .22 ammo.

Sunday was for hunting division rifles with SB to the line 1st. Weather remained very good for shooting. A shoot-off gave **Chris Farwell**, the Champion trophy over Bonner in 1st M @ 59. Hawks' 53 is 2nd M. Dolence posted the top AAA score @ 53, is also high resident. Collins took 2nd @ 49. Erik Smith, Lander, earned 1st AA @ 43. Sheldon Bradley, Berthold, ND is 2nd @ 40. With high lady being Georgette @ 38. Martin Tylicki, Littleton, CO, gets 1st A @ 26. Duran @ 28 takes B.

**David Bonner** is the HP hunting rifle champion @56. Farwell's 44 takes AAA 1st. Farwell started the 2nd 40 on rams and put all 10 into the dirt. His long run attempt was held after the match and Chris was not able to extend the long run. Still it gives him the HP-H leg toward the grand slam. Then a shoot-off determines Dahms at 2nd over Hawks in 3rd @ 34. J. Bradley is 1st AA and high resident @48. High lady and 2nd is Georgette Bradley @ 35. A few strong gust made the grass flatten but didn't topple any targets, Temps reached 91.

The jury was not called but Tony Cross, Scott Dahms and Sheldon Bradley were ready if needed. Mark Crawford did a great job handling the stats and had hard copies of the results for all to take home. Thank you guys.

Since 2009 an award has been given to the grand aggregate winner, **David Bonner**, takes it again this year with 225/320, making the 15th time his name is on the listing. May your health and ability continue to set records.

This event puts the 51st WY Silhouette numbers into the books. I'm certain there are still room for shooters for the Nationals in Raton at the Whittington Center. Be safe, enjoy, and may your hits continue in even greater number at your next match.

Best wishes, Tony Cross and Roger Sebesta match directors.
